

## Sports Premium Funding Expenditure- 2017/18

As a healthy school, both the physical and mental well-being of our pupils and staff is of great importance to us.

### Our core objectives for 2017-18 are:

- To encourage all pupils to be active for at least 30 minutes each day.
- To raise participation of sport within school for all pupils.
- To promote sport values through all activities: Conduct, Participation, Passion, Respect, Teamwork, Determination, Self-belief, Honesty.
- To be proactive in encouraging all pupils to be active at school to support in addressing the growing obesity issue. [2017 summary NCMP 44% obese by Y6]
- To encourage emotional well-being through targeted activity.
- To promote healthy lifestyle choices within school and the wider community.

### We aim to achieve this by:

- Weekly physical education lessons
- Active break times
- After school sports clubs
- Class challenge
- Lunchtime training
- P4C (Philosophy 4 Children)
- PSHE (Personal, Social and Health Education)
- Science lessons
- Working with outside agencies such as MIND, Health
- Family fitness sessions
- Family Learning
- Small targeted group work
- Working with parents to support our children

### Sports Premium usage for 2017-18:

We have used funding to allow long-term sustainability in sports provision to improve the quality of Physical Education for all of the children in our School. Currently, we employ a PE Co-ordinator and PE specialists from outside agencies who deliver PE sessions for our children. Furthermore, they provide extra-curricular sports lessons for children both before and after school.

We employ Sports Coaches from *Live and Learn* who run training sessions and holiday sports clubs for the children during the school holidays. The Sports Coaches from *Live and Learn* deliver CPD support for the teaching staff to encourage the delivery of outstanding PE sessions. They work alongside members of staff each week to enhance and increase their subject knowledge in teaching a range of PE lessons.

Our PE co-ordinator regularly liaises with the Local School Sports Partnership and attends local and national competitions and sporting events alongside the children to encourage the pupil's participation in sports. Lunchtime and break time sports sessions are available for the children on a daily basis with the Play Leaders supporting the sporting activities. A wide range of sports activities are available, such as circuit training, football and spinning classes. During breaktimes, the children on the yard are encouraged to access a range of sporting equipment and are led in team sports and games by support staff and the Playground Leaders.

A sports *Class Challenge* is held weekly by our Sports Co-ordinator for the children to participate in. Additionally, as part of our obesity project, we have also incorporated the weekly mile into the school timetable. This is a short burst of activity for 10 minutes that all classes participate in every week to improve learning readiness, concentration and behaviour.

During Breakfast Club, sporting activities are available for the children to encourage a healthy lifestyle and to help the children develop teamwork skills. A wide range of after school clubs are also available such as basketball, team sports, football and tag-rugby. After school sports clubs held three days a week and are run by both outside sports coach companies and teaching staff. Children are also invited to attend cooking club where staff teach and educate the children in how to prepare healthy meals. Throughout the year 63% of the children on roll accessed these clubs.

Sporting events are held regularly throughout the school year. Each year, our school hosts the *Willow Tree Academy Olympics* where our 4 Academy Schools work collaboratively together in a variety of team sports. Medals are awarded to the winners in an Olympic style ceremony. Charity sports events such as Race for Life and Sports Relief are held annually where classes are asked to participate in a sporting event to raise money for a worthy cause. We also hold our annual sports day that all children in school participate in.

## TOTAL ALLOCATION £9720.000

### Current Expenditure:

Amount	Item	Aim	Impact	Next Steps
£4539.00	<b>Breakfast and After school clubs</b>	Increase participation in clubs and of those representing school in competition.
